The book PENDRAGON by D.J. MACHALE is about a boy named Bobby Pendragon who travels across the universe to a planet named DENDRON.

Bobby also meets a few people at DENDRON who help him to save his uncle from the nasty tortuous Bedoowan knights who treat the Milago worse than dogs. When Bobby Pendragon finds out that he has to lead a revolution to save the Milago, he flips out. If you want to find out what happens next you better read this extraordinarily stupendous book.

The author D.J. MACHALE is a good author because he does an extremely awesome job with imagery. By describing looks, people, I could see every word that he wrote. The book PENDRAGON is a mystery, drama, and an action packed adventure.

THE BOOK PENDAGON ALSO HAS 9 OTHER BOOKS IN THE SERIES
